**NOTICE OF
ANNUAL GENERAL MEETING OF SHAREHOLDERS**

TO BE HELD DECEMBER 15, 2023

NOTICE IS HEREBY GIVEN that the Annual General Meeting of shareholders of Blackrock Silver Corp. (the “**Company**”) will be held at the **Fairmont Waterfront, Burrard Suite, 900 Canada Place Way, Vancouver British Columbia** on Friday, December 15, 2023 at 11:00 a.m. (Vancouver time) (the “**Meeting**”) for the following purposes:

1. to receive the audited financial statements of the Company for the year ended October 31, 2022 and the auditor’s report thereon;
2. to fix the number of directors at seven and to elect seven directors for the ensuing year;
3. to appoint the auditor for the ensuing year and to authorize the directors to fix the auditor’s remuneration;
4. to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution approving the Company’s Omnibus Equity Incentive Compensation Plan (the “**Omnibus Plan**”), including the approval of certain amendments to the Omnibus Plan as more particularly described in the accompanying management information circular (the “**Information Circular**”); and
5. to transact such other business as may properly come before the Meeting or any adjournment thereof.

All matters set forth above for consideration at the Meeting are more particularly described in the accompanying Information Circular.

The Company is using the notice-and-access provisions (“**Notice and Access**”) under the Canadian Securities Administrators’ National Instrument 54-101 for the delivery of its Information Circular to its shareholders for the Meeting. Under Notice and Access, instead of receiving paper copies of the Information Circular, shareholders will be receiving a Notice and Access notification with information on how they may obtain a copy of the Information Circular electronically or request a paper copy. Registered shareholders will still receive a Proxy form enabling them to vote at the Meeting. The use of the alternative Notice and Access procedures in connection with the Meeting helps reduce paper use, as well as the Company’s printing and mailing costs. The Company will arrange to mail paper copies of the Information Circular to those registered shareholders who have existing instructions on their account to receive paper copies of the Company’s meeting materials.

The Information Circular and other Meeting materials will be available on the Company’s website at <https://blackrocksilver.com/agm-2023/> as of November 6, 2023 and will remain on the website for one full year thereafter. Meeting materials are also available upon request, without charge, by email at info@blackrocksilver.com or by calling toll free at 1-800-380-1530 (Canada and U.S.A.) or at +1-604-817-6044, or can be accessed online on SEDAR+ at www.sedarplus.ca, as of November 6, 2023.

Only shareholders of record at the close of business on October 25, 2023 will be entitled to receive notice of, and to vote at, the Meeting or any adjournment thereof. Registered shareholders who are unable to or who do not wish to attend the Meeting in person are requested to date and sign the enclosed Proxy form promptly and return it in the self-addressed envelope enclosed for that purpose or by any of the other methods indicated on the Proxy form. To be used at the Meeting, proxies must be received by Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof, or received by the chair of the Meeting before the commencement of the Meeting, or any adjournment thereof. If a registered shareholder receives more than one Proxy form because such shareholder owns shares registered in different names or addresses, each Proxy form should be completed and returned.

If you are a non-registered shareholder of the Company and receive these materials through your broker or through another intermediary, you must complete and return your voting instructions in accordance with the procedures provided by your broker or such other intermediary.

A teleconference line will be made available to the Company's shareholders in order to listen in on the Meeting. To do so, shareholders may call one of the following toll-free numbers (callers should dial in 5 to 10 minutes prior to the scheduled start time and simply ask to join the call):

Canada/USA Toll Free: 1-800-319-4610
International Toll Free: +1-604-638-5340

Dated as of the 31st day of October, 2023.

BY ORDER OF THE BOARD

"Andrew Pollard"

President, Chief Executive Officer and Director

ANNUAL GENERAL MEETING OF SHAREHOLDERS

INFORMATION CIRCULAR

GENERAL INFORMATION

This information circular (“**Information Circular**”) is furnished to the holders (“**shareholders**”) of common shares (“**Common Shares**”) of Blackrock Silver Corp. (the “**Company**”) by management of the Company in connection with the solicitation of proxies to be voted at the annual general meeting (the “**Meeting**”) of the shareholders to be held at the **Fairmont Waterfront, Burrard Suite, 900 Canada Place Way, Vancouver British Columbia** at 11:00 a.m. (Vancouver time) on Friday, December 15, 2023 and at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting (“**Notice of Meeting**”).

PROXIES

Solicitation of Proxies

The enclosed Proxy is solicited by and on behalf of management of the Company. The persons named in the enclosed Proxy form are management-designated proxyholders. A registered shareholder desiring to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting may do so either by inserting such other person’s name in the blank space provided in the Proxy form or by completing another form of proxy. To be used at the Meeting, proxies must be received by Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof, or received by the chairman of the Meeting before the commencement of the Meeting, or any adjournment thereof. Solicitation will be primarily by mail, but some proxies may be solicited personally or by telephone by regular employees or directors of the Company at a nominal cost. The cost of solicitation by management of the Company will be borne by the Company.

A teleconference line will be made available to the Company’s shareholders in order to listen in on the Meeting. To do so, shareholders may call one of the following toll-free numbers (callers should dial in 5 to 10 minutes prior to the scheduled start time and simply ask to join the call):

Canada/USA Toll Free: 1-800-319-4610
International Toll Free: +1-604-638-5340

For attendance and voting to be counted at the Meeting, shareholders listening in on the Meeting by telephone must still deposit a completed proxy as described above. Shareholders with questions about the teleconference and the information contained in this Information Circular or which require assistance in completing the Proxy form may contact Andrew Pollard, President and Chief Executive Officer of the Company, at info@blackrocksilver.com or at 604-817-6044.

Notice and Access Process

The Company has decided to take advantage of the notice-and-access provisions (“**Notice and Access**”) under the Canadian Securities Administrators’ National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for the delivery of the Information Circular to its shareholders for the Meeting. The use of the alternative Notice and Access procedures in connection with the Meeting helps reduce paper use, as well as the Company’s printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Information Circular, shareholders receive a notice (“**Notice and Access Notification**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Information Circular electronically or request a paper copy. The Company will arrange to mail paper copies of the Information Circular to those registered and beneficial shareholders who have existing instructions on their account to receive paper copies of the Company’s proxy-related materials.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

In accordance with the requirements of NI 54-101, the Company has distributed the Notice and Access Notification in connection with this Meeting to Intermediaries and clearing agencies for onward distribution to Non-Registered Holders.

Intermediaries which receive the proxy-related materials (including the Notice and Access Notification) are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of proxy-related materials and related documents (including the Notice and Access Notification). Accordingly, an OBO will not receive copies of proxy-related materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary’s directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Trust Company of Canada as described under “**Solicitation of Proxies**”.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

Revocability of Proxies

A registered shareholder who has given a Proxy may revoke it by an instrument in writing that is:

- (a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and
- (b) delivered either to the registered office of the Company (2710-200 Granville Street, Vancouver, British Columbia, V6C 1S4) at any time up to and including the last business day before the day of the Meeting, or any adjournment thereof, or to the chair of the Meeting on the day of the Meeting or any adjournment thereof before any vote in respect of which the Proxy is to be used shall have been taken,

or in any other manner provided by law.

Non-Registered Holders who wish to revoke a voting instruction form or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instructions.

Voting of Proxies

Common Shares represented by a shareholder's Proxy form will be voted or withheld from voting in accordance with the shareholder's instructions on any ballot that may be called for at the Meeting and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of any instructions, the management-designated proxy agent named on the Proxy form will cast the shareholder's votes in favour of the passage of the resolutions set forth herein and in the Notice of Meeting.**

The enclosed Proxy form confers discretionary authority upon the persons named therein with respect to (a) amendments or variations to matters identified in the Notice of Meeting and (b) other matters which may properly come before the Meeting or any adjournment thereof. At the time of printing of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only Common Shares carry voting rights at the Meeting with each Common Share carrying the right to one vote. The Board of Directors of the Company (the "**Board of Directors**" or the "**Board**") has fixed October 25, 2023 as the record date ("**Record Date**") for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As of the Record Date, 193,019,295 Common Shares were issued and outstanding as fully paid and non-assessable.

To the knowledge of the directors and executive officers of the Company, as at the Record Date, no person beneficially owned, or controlled or directed, directly or indirectly, shares carrying 10% or more of the voting rights attached to the Company's issued and outstanding Common Shares.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Company's Articles, the quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting. Under the *Business Corporations Act* (British Columbia) (the "**BCBCA**") and the Articles of the Company, a simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

APPOINTMENT OF AUDITOR

The management-designated proxyholders named in the enclosed Proxy form intend to vote for the appointment of BDO Canada LLP, Chartered Professional Accountants ("**BDO**") as the auditor of the Company to hold office until the next annual general meeting of shareholders and to authorize the Board of Directors to fix the remuneration of the auditor. BDO was appointed as auditor of the Company on June 21, 2021.

ELECTION OF DIRECTORS

The number of directors of the Company was last fixed at six. At the Meeting, shareholders will be asked to fix the number of directors at seven and to elect seven directors to the Board. The persons named below are the seven nominees of management for election as directors, all of whom are current directors of the Company. Each director elected will hold office until the next annual general meeting or until the director's successor is elected or appointed unless the director's office is earlier vacated under any of the relevant provisions of the Articles of the Company or the BCBCA. It is the intention of the persons named as proxyholders in the enclosed Proxy to vote for the election to the Board of Directors of those persons hereinafter designated as nominees for election as directors. The Board of Directors does not contemplate that any of such nominees will be unable to serve as a director; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in such shareholder's Proxy that such shareholder's Common Shares are to be withheld from voting in the election of directors.**

The following table sets out the name of each of the persons proposed to be nominated for election as a director; all positions and offices in the Company currently held by the nominee; the nominee's current principal occupation or employment; the period during which the nominee has served as a director; and the number of Common Shares that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of the Record Date:

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than as disclosed below, none of the proposed directors is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days (collectively, an “**Order**”), when such Order was issued while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company; or
- (b) was subject to an Order that was issued after such person ceased to be a director, chief executive officer or chief financial officer of the relevant company, and which resulted from an event that occurred while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company.

David Laing has been a director of Fortuna Silver Mines Inc. (“**Fortuna Silver**”) since September 2016. On April 3, 2017, a management cease trade order (“**MCTO**”) was issued by the British Columbia Securities Commission (the “**BCSC**”) and other Canadian provincial securities regulatory authorities pursuant to National Policy 12-203 - *Management Cease Trade Orders* in connection with the late filing of Fortuna Silver’s annual audited financial statements and related Management’s Discussion and Analysis for the years ended December 31, 2016 and 2015 and Fortuna Silver’s Annual Information Form for the year ended December 31, 2016 (collectively, the “**Annual Documents**”). The MCTO prohibited the executive officers of Fortuna Silver from trading in securities of Fortuna Silver until the required Annual Documents as well as its Interim Documents (as defined below) were complete and filed and the MCTO was revoked. The Annual Documents were filed by Fortuna Silver on May 15, 2017. Due to the delay in finalizing the Annual Documents, Fortuna Silver was delayed in filing its interim financial statements and related Management’s Discussion and Analyses for the three months ended March 31, 2017 and 2016 (collectively, the “**Interim Documents**”). Fortuna Silver filed the Interim Financial Documents on May 24, 2017, and the MCTO was revoked by the BCSC on May 25, 2017.

No proposed director is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director has, within the ten years preceding the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

No proposed director has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

CORPORATE GOVERNANCE DISCLOSURE

The following description of the corporate governance practices of the Company is provided further to National Instrument 58-101 on “Disclosure of Corporate Governance Practices” (“**NI 58-101**”) and the disclosure prescribed for “Venture Issuers” such as the Company.

Board of Directors

The Board of Directors currently consists of seven directors, four of whom, Messrs. Kaip, Laing and Wood and Ms. Thome are considered independent. William (Bill) Howald, Andrew Pollard and Daniel Vickerman are not considered independent as each is an executive officer of the Company. If the existing directors of the Company are elected as proposed under “Election of Directors”, following the Meeting, the Company will continue to have four independent directors (Messrs. Kaip, Laing and Wood and Ms. Thome) and three directors who are not considered independent (Messrs. Howald, Pollard and Vickerman).

Management has been delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company’s internal control processes and management information systems.

Directorships

The current directors of the Company who are presently directors of other reporting issuers in Canada or elsewhere are set out below:

Director	Reporting Issuer
William (Bill) Howald	Vanity Capital Inc.
Andrew Kaip	Vox Royalty Corp.
David Laing	Arizona Sonoran Copper Company Inc. Fortuna Silver Mines Inc.
Daniel Vickerman	Discovery Silver Corp. (formerly, Discovery Metals Corp.)
Edie Thome	Wesdome Gold Mines Ltd.

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for directors. If and when new directors are added, however, they have the opportunity to become familiar with the Company by meeting with other directors and with officers of the Company. As each director has a different skill set and professional background, orientation and training activities are and will continue to be tailored to the particular needs and experience of each director.

Ethical Business Conduct

The Board conducts itself with high business and ethical standards and endeavours to follow all applicable legal and financial requirements. The Company’s Code of Business Conduct and Ethics Policy (the “Code”) for its directors, officers and employees reflects the Company’s commitment to a culture of honesty, integrity and accountability. The Code outlines the basic principles and policies on the following:

- compliance with laws, rules and regulations;
- conflicts of interest;
- corporate opportunities;
- confidentiality;
- protection and proper use of company assets;
- insider trading;
- fair dealing;
- compliance with environmental laws;
- equal opportunity;
- safety and health;
- financial business disclosure and accuracy of company records and reporting;

- use of email and internet services;
- payment to domestic and foreign officials;
- gifts and entertainment; and
- reporting any illegal or unethical behaviors.

The Code provides that each employee is personally responsible for, and it is their duty to report violations or suspected violations of, the Code and that no employee would be discriminated against for reporting what the employee reasonably believes to be a breach of the Code or any law or regulation. Employees can discuss any breach or suspected breach of the Code with their immediate superior or a member of the Board. The Board annually reviews the Code and any compliance issues under the Code are reviewed as they arise.

To ensure directors of the Company exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest, each director and executive officer is required to fully disclose his or her interest in respect of any transaction or agreement to be entered into by the Company. Once such interest has been disclosed, the Board, as a whole, determines the appropriate level of involvement the director or executive officer should have in respect of the transaction or agreement, which may include convening a Special Committee of independent directors. All directors and executive officers are subject to the requirements of the BCBCA with respect to the disclosure of any conflicts of interests and the voting on transactions giving rise to such conflicts.

Nomination of Directors

Any director is free to nominate individuals for election or appointment to the Board; however, the Corporate Governance and Nominating Committee has the principal responsibility with respect to selection and nomination of director nominees. The Corporate Governance and Nominating Committee is also responsible for (i) developing and recommending to the Board criteria for selecting director nominees; and (ii) establishing procedures for identifying and evaluating director candidates, including candidates recommended by shareholders.

Compensation

The Board is responsible for determining all forms of compensation, including long-term incentives in the form of stock options to be granted to directors, officers, and consultants of the Company. The Board is also responsible for reviewing recommendations from the Compensation Committee for compensation of the Chief Executive Officer and other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Compensation Committee will consider: (i) recruiting and retaining officers critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Other Board Committees

The Board has four standing committees; namely, the Audit Committee, the Corporate Governance and Nominating Committee, the Compensation Committee and the Technical and Sustainability Committee. For details on the Audit Committee please refer to the "Audit Committee Disclosure" section. The Corporate Governance and Nominating Committee, the Compensation Committee and the Technical and Sustainability Committee are discussed below.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is currently comprised of Edie Thome (Chair), Antony (Tony) Wood and Andrew Kaip. The Corporate Governance and Nominating Committee is tasked with the responsibility of, among other things, selecting (or recommending that the Board select) the director nominees for the next annual meeting of shareholders. In carrying out such responsibilities, the Corporate Governance and Nominating Committee has the sole authority to retain and terminate any search firm to be used to identify director candidates and has authority to approve the search firm's fees and other retention terms.

The Corporate Governance and Nominating Committee is tasked with the following principal corporate governance responsibilities:

- reviewing and assessing, at least annually, the adequacy of the Company's corporate governance procedures and recommending any proposed changes to the Board for approval;
- reviewing annually, or more often if appropriate, the Board of Directors Mandate and, where necessary, recommending changes to the Board;

- (c) in consultation with the Chair of the Board, reviewing and recommending appropriate structure, size, composition, mandate and membership for the committees of the Board and recommending to the Board for approval the appointment of directors to Board committees;
- (d) recommending procedures to ensure that the Board and the committees of the Board function independently of management of the Company;
- (e) in consultation with the Chair of the Board, ensuring that an appropriate system is in place to evaluate the effectiveness of the Board as a whole, as well as the committees of the Board, with a view to ensuring that they are fulfilling their respective responsibilities and duties;
- (f) reviewing compliance with issues arising from, and considering and approving any changes to, the Company's governance policies; and
- (g) reviewing and assessing the adequacy of the Charter of the Corporate Governance and Nominating Committee on an annual basis, taking into account all legislative and regulatory requirements applicable to the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee, in consultation with the Chair of the Board and the Chief Executive Officer of the Company, is also tasked with the following principal responsibilities related to identification, screening and selection of qualified individuals to the Board:

- (a) in making its recommendations to the Board regarding director nominees, the Corporate Governance and Nominating Committee shall consider:
 - (i) the appropriate size of the Board;
 - (ii) Board succession and refreshment policies and procedures;
 - (iii) the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess;
 - (iv) the competencies and skills that the Board considers each existing director to possess;
 - (v) the competencies and skills that each new nominee will bring to the Board; and
 - (vi) whether or not each new nominee can devote sufficient time and resources to the nominee's duties as a director of the Company;
- (b) assessing the effectiveness of the Board appointment/nomination process at achieving the objective of the Diversity Policy of the Company and considering and, if determined advisable, recommending to the Board for adoption, measurable objectives for achieving diversity on the Board;
- (c) developing and overseeing a process for director succession and refreshment; and
- (d) developing a process for, and overseeing the conduct of, an annual evaluation of the Board and of the Company and making recommendations to the Board as appropriate.

The Corporate Governance and Nominating Committee has the authority to conduct any investigation appropriate to fulfill its responsibilities. It has the ability to retain, at the Company's expense, such compensation consultants or legal assistance it deems necessary in the performance of its duties.

Compensation Committee

The Compensation Committee is currently comprised of David Laing (Chair), Antony (Tony) Wood and Andrew Kaip. The Compensation Committee is tasked with the responsibility of, among other things, recommending to the Board compensation policies and guidelines for the Company and for implementing and overseeing compensation policies approved by the Board. The Compensation Committee reviews annually and makes recommendations to the Board in respect of the compensation paid by the Company to its

directors and executive officers. The compensation to executive officers is composed primarily of three elements: namely, base salary or consulting fees, performance bonus payments, and equity participation through the Company's Omnibus Plan (as defined herein). The committee's compensation policy objectives are: (i) to attract and retain qualified executive officers; (ii) to align executives' interests with those of the shareholders; and (iii) to reward demonstration of leadership and performance. The committee is responsible for reviewing and considering corporate goals and objectives relevant to compensation for all executive officers, evaluating their performance in light of those corporate goals and objectives, and determining (or making recommendations to the Board with respect to) the level of compensation for the executive officers based on this evaluation.

The Compensation Committee also reviews and recommends to the Board for its approval any severance or similar termination payments proposed to be made to any current or former executive officer. Any compensation paid to a director or executive officer must be approved by the Compensation Committee and by a majority of the independent members of the Board.

Technical and Sustainability Committee

The Technical and Sustainability Committee is currently comprised of David Laing (Chair), Edie Thome and William (Bill) Howald. The Technical and Sustainability Committee is tasked with the responsibility of, among other things: (i) reviewing and monitoring the policies and activities of the Company as they relate to the Company's mining exploration and development activities; (ii) overseeing exploration and development activities and the Company's procedures for the preparation and disclosure of mineral reserve and mineral resource estimates and any economic assessments for the Company's mineral properties; and (iii) implementing and overseeing the Company's sustainability strategy and objectives. In carrying out such responsibilities, the Technical and Sustainability Committee has the authority to retain, when it considers necessary or advisable, outside consultants or advisors to assist or advise the committee independently on any matter within its mandate.

The Technical and Sustainability Committee is tasked with the following principal technical related duties and responsibilities:

- (a) ensuring that management of the Company is taking appropriate steps to protect the Company's social and regulatory licenses to operate and that appropriate systems are in place to ensure that the Company's projects and mines operate in compliance with applicable laws, regulations and the conditions of its permits and license;
- (b) overseeing technical and operational matters on behalf of the Board, which oversight includes, but is not limited to:
 - (i) the annual budget;

AMENDMENT TO OMNIBUS EQUITY INCENTIVE COMPENSATION PLAN

On October 3, 2022, as a result of the updated TSX Venture Exchange ("TSX-V") Policy 4.4 - Security Based Compensation ("**Policy 4.4**") which allowed for various forms of security based compensation, the Board adopted an Omnibus Equity Incentive Compensation Plan (the "**Omnibus Plan**") to replace both the Company's former stock option plan and the Company's former restricted share unit plan. The Omnibus Plan took effect on December 9, 2022 upon the receipt of approval of the Company's shareholders at the annual general meeting of the Company's shareholders held on December 9, 2022.

The Omnibus Plan was a "rolling up to 10% and fixed up to 10%" Security Based Compensation Plan, as defined in Policy 4.4. The Omnibus Plan was a: (a) "rolling" plan pursuant to which the number of common shares of the Company ("**Common Shares**") that were issuable pursuant to the exercise of stock options ("**Options**") granted under the Omnibus Plan could not exceed ten percent (10%) of the issued and outstanding Common Shares as at the date of any Option grant; and (b) "fixed" plan under which the number of Common Shares that were issuable pursuant to all Awards (as defined herein) other than Options granted under the Omnibus Plan and under any other security based compensation plan of the Company, in aggregate was a maximum of 17,870,922 Common Shares, subject to adjustment as provided in the Omnibus Plan.

On September 25, 2023, the Board of Directors approved, subject to the receipt of shareholder approval and TSX-V acceptance, an amendment to the Omnibus Plan (the "**Plan Amendment**") to change the Omnibus Plan from a "rolling up to 10% and fixed up to 10%" Security Based Compensation Plan to a "rolling up to 10%" Security Compensation Plan (as such terms are defined in Policy 4.4), wherein the number of Common Shares that are issuable pursuant to the exercise or settlement, as applicable, of all Awards, including Options, granted under the Omnibus Plan shall not exceed ten percent (10%) of the issued and outstanding Common Shares as at the date of any Award grant (the "**Amended Omnibus Plan**").

In accordance with TSX-V policies, the Company is required to obtain the approval of its shareholders with respect to the "rolling" portion of the Omnibus Plan on an annual basis as well as with respect to any amendment to the Omnibus Plan of the nature of the Plan Amendment. At the Meeting, shareholders of the Company will be asked to consider and, if deemed advisable, pass, with or without variation, an ordinary resolution, subject to regulator approval, approving and ratifying: (a) the Plan Amendment; and (b) the Amended Omnibus Plan (the "**Omnibus Plan Resolution**").

A copy of the Amended Omnibus Plan (which includes a blackline to the Omnibus Plan highlighting the amendments made to the Omnibus Plan pursuant to the Plan Amendment) is attached as Schedule "A" to this Information Circular. See "Director and Named Executive Officer Compensation — Stock Option Plans and Other Incentive Plans — Omnibus Equity Incentive Compensation Plan" for a summary of the terms of the Amended Omnibus Plan.

As at October 31, 2023, the Company had 10,345,000 Options, 1,022,850 RSUs, 197,180 DSUs and no PSUs outstanding under the Amended Omnibus Plan.

2. The number of common shares (“**Common Shares**”) of the Company reserved for issuance pursuant to Awards (as defined in the Plan) granted under the Plan, and all other security-based compensation arrangements of the Company, will be a rolling number of up to ten percent (10%) of the issued and outstanding Common Shares of the Company from time to time.
3. The Company is hereby authorized and directed to issue such Common Shares pursuant to the Plan as fully paid and non-assessable Common Shares.
4. The Board of Directors of the Company be authorized to make any changes to the Plan as may be required by the TSX Venture Exchange.

As described herein, the Board adopted the

Plan Amendment on September 25, 2023 to change the Omnibus Plan from a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan to a “rolling up to 10%” Security Compensation Plan (as such terms are defined in Policy 4.4). The Amended Omnibus Plan remains subject to the receipt of acceptance by the TSX-V and the approval of the Omnibus Plan Resolution at the Meeting.

The purpose of the Amended Omnibus Plan is to advance the interests of the Company and its subsidiaries by: (a) assisting the Company and its subsidiaries in attracting and retaining individuals with experience and ability; (b) allowing certain directors, executive officers, key employees and consultants of the Company and its subsidiaries to participate in the long term success of the Company; and (iii) promoting a greater alignment of interests between the directors, executive officers, key employees and consultants designated under the Amended Omnibus Plan and the shareholders of the Company.

The following is a summary of the principal terms of the Amended Omnibus Plan, which is qualified in its entirety by reference to the text of the Amended Omnibus Plan, a copy of which is attached as Schedule “A” to this Information Circular and remains subject to the receipt of TSX-V and shareholder approval. For the purposes of the description of the Amended Omnibus Plan below, unless otherwise defined herein, capitalized terms shall have the meanings ascribed thereto in the Amended Omnibus Plan.

The Amended Omnibus Plan is a “rolling up to 10%” Security Based Compensation Plan, as defined in Policy 4.4, as the number of Common Shares that are issuable pursuant to the exercise or settlement, as applicable, of all Awards granted under the Amended Omnibus Plan shall not exceed ten percent (10%) of the issued and outstanding Common Shares as at the date of any Award grant.

Purpose

The purpose of the Amended Omnibus Plan is to: (a) promote a significant alignment between officers and employees of the Company and its Affiliates and the growth objectives of the Company; (b) to associate a portion of participating employees’ compensation with the performance of the Company over the long term; and (c) to attract, motivate and retain the critical employees to drive the business success of the Company.

Types of Awards

The Amended Omnibus Plan provides for the grant of Options, RSUs, DSUs, PSUs and other share-based awards (each an “**Award**” and collectively, the “**Awards**”). All Awards are granted by an agreement or other instrument or document evidencing the Award granted under the Amended Omnibus Plan (an “**Award Agreement**”).

Plan Administration

The Amended Omnibus Plan is administered by the Board which may delegate its authority to the Compensation Committee or any other duly authorized committee of the Board appointed by the Board to administer the Amended Omnibus Plan (the “**Committee**”). Subject to the terms of the Amended Omnibus Plan, applicable law and the rules of the TSX-V, the Board (or its delegate) has the power and authority to:

- (a) select Award recipients;
- (b) establish all Award terms and conditions, including grant, exercise price, issue price and vesting terms;
- (c) determine Performance Goals applicable to Awards and whether such Performance Goals have been achieved;
- (d) make adjustments under Section 4.10 of the Amended Omnibus Plan (subject to Article 14 of the Amended Omnibus Plan); and
- (e) adopt modifications and amendments, or sub-plans to the Amended Omnibus Plan or any Award Agreement, including, without limitation, any that are necessary or appropriate to comply with the laws or compensation practices of the jurisdictions in which the Company and its Affiliates operate.

Shares Available for Awards

Subject to adjustments as provided for under the Amended Omnibus Plan, the maximum number of Common Shares of the Company available for issuance under the Amended Omnibus Plan will not exceed ten percent (10%) of the Company’s issued and outstanding Common Shares at the time of grant.

The Amended Omnibus Plan is considered to be a “rolling” plan as Common Shares of the Company covered by Awards which have been exercised or settled, as applicable, will be available for subsequent grant under the Amended Omnibus Plan and the number of Awards that may be granted under the Amended Omnibus Plan increases if the total number of issued and outstanding Common Shares of the Company increases.

The number of Common Shares issuable to Insiders, at any time, under all security-based compensation arrangements of the Company may not exceed ten percent (10%) of the Corporation’s issued and outstanding Common Shares. The number of Common Shares issued to Insiders within any one-year period, under all security-based compensation arrangements of the Company may not exceed ten percent (10%) of the Company’s issued and outstanding Common Shares.

Eligible Persons

Any Director, Officer, Employee, Management Company Employee or Consultant (as such terms are defined in the Amended Omnibus Plan) of the Company or any of its subsidiaries shall be eligible to be selected to receive an Award under the Amended Omnibus Plan (the “**Eligible Persons**”).

Limits for Individuals

Unless the Company has obtained the requisite disinterested shareholder approval pursuant to Policy 4.4, the maximum aggregate number of Common Shares that are issuable pursuant to all security based compensation granted or issued in any 12 month period to any one person must not exceed 5% of the Issued Shares of the Company, calculated as at the date any security based compensation is granted or issued to the person, except that securities that are expressly permitted and accepted by the TSX-V for filing under Part 6 of Policy 4.4 shall not be included in calculating this 5% limit.

Limits for Consultants

The maximum aggregate number of Common Shares that are issuable pursuant to all security based compensation granted or issued in any 12 month period to any one Consultant must not exceed 2% of the Issued Shares of the Company, calculated as at the date any security based compensation is granted or issued to the Consultant, except that securities that are expressly permitted and accepted for filing under Part 6 of Policy 4.4 shall not be included in calculating this 2% limit.

Limits for Investor Relations Service Providers

- (a) The maximum aggregate number of Common Shares that are issuable pursuant to all Options granted in any 12 month period to all Investor Relations Service Providers in aggregate shall not exceed 2% of the Issued Shares of the Company, calculated as at the date any Option is granted to any such Investor Relations Service Provider.
- (b) Options granted to any Investor Relations Service Provider shall vest in stages over a period of not less than 12 months such that:
 - (i) no more than 1/4 of the Options vest no sooner than three months after the Options were granted;
 - (ii) no more than another 1/4 of the Options vest no sooner than six months after the Options were granted;
 - (iii) no more than another 1/4 of the Options vest no sooner than nine months after the Options were granted; and
 - (iv) the remainder of the Options vest no sooner than 12 months after the Options were granted.

Blackout Period

In the event that the expiry date of any Award would otherwise occur in a Blackout Period or within ten days of the end of the Blackout Period, the expiry date shall be extended to the tenth business day following the last day of a Blackout Period. A “Blackout Period” is defined as a period during which a Participant cannot sell Common Shares, due to applicable law or policies of the Company in respect of insider trading.

Vesting

All Awards, other than an Option, may not vest before one year from the date of grant of the Award.

Description of Awards and Effect of Termination on Awards

Options

Subject to the provisions of the Amended Omnibus Plan, the Board or the Committee, will be permitted to grant Options under the Amended Omnibus Plan. An Option entitles a holder to purchase a Common Share of the Company at an exercise price set at the time of the grant. Options vest over a period of time as established by the Board from time to time. The term of each Option will be fixed by the Board or the Committee, but may not exceed 10 years from the date of grant. Under no circumstances will the Company issue options at less than the TSXV Market Price. "TSXV Market Price" is defined as the closing price of the Common Shares on the TSX-V on the last Trading Day preceding the date on which the grant of Options is approved by the Board.

Options granted pursuant to the Amended Omnibus Plan shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant. Without limiting the foregoing, the Committee may, in its sole discretion, permit the exercise of an Option through either:

- (a) a cashless exercise (a "**Cashless Exercise**") mechanism, whereby:
 - (i) a sufficient number of the Common Shares issued upon exercise of the Options will be sold by a designated broker on behalf of and for the benefit of the Participant to satisfy the Option Price of the Options; and
 - (ii) the Option Price of the Options will be delivered to the Company and the Participant will receive only the remaining unsold Common Shares from the exercise of the Options and the net proceeds of the sale after deducting (A) the Option Price of the Options, (B) applicable taxes and (C) any applicable fees and commissions, all as determined by the Committee from time to time; or
- (b) a net exercise (a "**Net Exercise**") mechanism, whereby Options, excluding Options held by any Investor Relations Service Provider, are exercised without the Participant making any cash payment so the Company does not receive any cash from the exercise of the subject Options, and instead the Participant receives only the number of underlying Common Shares that is the equal to the quotient obtained by dividing:
 - (i) the product of the number of underlying Common Shares subject to the Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options; by
 - (ii) the VWAP of the underlying Common Shares.

If a Participant dies while an Employee, Director of, or Consultant to, the Company or an Affiliate: (a) the executor or administrator of the Participant's estate may exercise Options of the Participant equal to the number of Options that were exercisable at the Termination Date (as defined herein); (b) the right to exercise such Options terminates on the earlier of: (i) the date that is 12 months after the Termination Date; and (ii) the date on which the exercise period of the particular Option expires. Any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Corporation on the Termination Date; and (c) such Participant's eligibility to receive further grants of Options under the Amended Omnibus Plan ceases as of the Termination Date.

If a Participant ceases to be eligible to be a Participant under the Amended Omnibus Plan as a result of their termination for Cause, then all Options held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Company on the Termination Date.

Except as may otherwise be set out in a Participant's employment agreement, where a Participant's employment or term of office or engagement terminates (for any reason other than death or for Cause, then: (a) any Options held by the Participant that are exercisable at the Termination Date continue to be exercisable by the Participant until the earlier of: (i) the date that is three months after the Termination Date; and (ii) the date on which the exercise period of the particular Option expires, or such date as is otherwise determined by the Board; (b) any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Company on the Termination Date; and (c) the eligibility of a Participant to receive further grants under the Amended

Omnibus Plan ceases as of the date that the Company or an Affiliate, as the case may be, provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date.

For the purposes of the foregoing section, the term "**Termination Date**" means, in the case of a Participant whose employment or term of office or engagement with the Company or an Affiliate terminates: (a) by reason of the Participant's death, the date of death; (b) by reason of termination for Cause or resignation by the Participant, the Participant's last day actively at work for or actively engaged by the Company or an Affiliate; (c) for any reason whatsoever other than death or termination for Cause, the later of (i) the date of the Participant's last day actively at work for or actively engaged by the Company or the Affiliate, as the case may be, and (ii) the last date of the Notice Period; and (d) the resignation of a Director and the expiry of a Director's term on the Board without re-election (or nomination for election) shall each be considered to be a termination of their term of office.

Restricted Share Units

Subject to the provisions of the Amended Omnibus Plan, the Board or the Committee will be permitted to grant RSUs under the Amended Omnibus Plan. An RSU is an award denominated in units that does not vest until after a specified period of time, or satisfaction of other vesting conditions as determined by the Board, or the Committee, and which may be forfeited if conditions to vesting are not met, and provides the holder thereof with a right to receive Common Shares upon settlement of the Award, subject to any such restrictions that the Board or the Committee may impose.

The Board, in its discretion, may award dividend equivalents with respect to Awards of RSUs. Such dividend equivalent entitlements if any, will be credited to the Participant in additional RSUs and shall be subject to the same terms and conditions (including vesting and Period(s) of Restriction) as the RSUs in respect of which such additional RSUs are credited. Any additional RSUs credited to the Participant as dividend equivalents will vest in proportion to and will be paid under the Amended Omnibus Plan in the same manner as the RSUs to which they relate. In the event that the Participant's RSUs do not vest or are cancelled or otherwise expire, all PSUs credited as dividend equivalents in respect thereof, if any, will be immediately cancelled and forfeited to the Company without payment.

When and if RSUs (including RSUs credited as dividend equivalents) become vested, such RSUs ("**Vested RSUs**") shall be settled as soon as reasonably practicable following the Vesting Date. Unless the Award Agreement specifies otherwise, the Company shall settle each Vested RSU then being settled by means of: (a) a cash payment equal to the FMV on the Vesting Date of a Share; (b) the issuance of a Common Share from treasury; or (c) if more than one Vested RSU is being settled, a combination of cash and Common Shares under (a) and (b), as determined by the Committee at its sole discretion and subject to any tax withholding obligations in accordance with the Amended Omnibus Plan.

If a Participant dies while an Employee, Director of, or Consultant to, the Company or an Affiliate: (a) any RSUs held by the Participant that have not vested as at the Termination Date (as defined herein) shall be deemed to have vested immediately prior to the Termination Date; (b) any RSUs held by the Participant that have vested (including RSUs vested in accordance with subsection (a) herein) as at the Termination Date, shall be paid to the Participant's estate in accordance with the terms of the Amended Omnibus Plan and Award Agreement; and (c) such Participant's eligibility to receive further grants of RSUs under the Amended Omnibus Plan ceases as of the Termination Date.

If a Participant ceases to be eligible to be a Participant under the Amended Omnibus Plan as a result of their termination for Cause, then all RSUs held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Company on the Termination Date.

Unless determined otherwise by the Committee, or as may otherwise be set out in a Participant's employment agreement, where a Participant's employment or term of office or engagement terminates for any reason other than death or for Cause, then: (a) any RSUs held by the Participant that have vested before the Termination Date shall be paid to the Participant; (b) any RSUs held by the Participant that are not yet vested at the Termination Date will be immediately cancelled and forfeited to the Company on the Termination Date; (c) the eligibility of a Participant to receive further grants under the Amended Omnibus Plan ceases as of the date that the Company or an Affiliate provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date; and (d) any settlement or redemption of any RSUs shall occur within one year following the Termination Date.

For the purposes of the foregoing section, the term "**Termination Date**" means, in the case of a Participant whose employment or term of office or engagement with the Company or an Affiliate terminates: (a) by reason of the Participant's death, the date of death; (b) by reason of termination for Cause or resignation by the Participant, the Participant's last day actively at work for or actively engaged by the Company or an Affiliate; (c) for any reason whatsoever other than death or termination for Cause, the later of (i) the date of the

Participant's last day actively at work for or actively engaged by the Company or the Affiliate, and (ii) the last date of the Notice Period; and; (d) the resignation of a Director and the expiry of a Director's term on the Board without re-election (or nomination for election) shall each be considered to be a termination of their term of office.

Deferred Share Units

Subject to the provisions of the Amended Omnibus Plan, the Board or the Committee will be permitted to grant DSUs to Participants under the Amended Omnibus Plan. A DSU is an award denominated in units that provides the holder thereof with a right to receive Common Shares upon settlement of the Award, subject to any such restrictions that the Board or its delegate may impose.

The Board, in its discretion, may award dividend equivalents with respect to Awards of DSUs. Such dividend equivalent entitlements if any, will be credited to the Participant in additional DSUs and shall be subject to the same terms and conditions (including vesting) as the DSUs in respect of which such additional DSUs are credited. Any additional DSUs credited to the Participant as dividend equivalents will vest in proportion to and will be paid under the Amended Omnibus Plan in the same manner as the DSUs to which they relate. In the event that the Participant's DSUs do not vest or are cancelled or otherwise expire, all DSUs credited as dividend equivalents in respect thereof, if any, will be immediately cancelled and forfeited to the Company without payment.

No amount may be received in respect of a DSU until after the Termination Date (as defined herein) of the Participant. If the Termination Date of a Participant occurs as a result of a termination of a Participant for Cause, all outstanding DSUs credited to such Participant (whether or not vested) shall be forfeited and cancelled immediately, and the Participant shall have no entitlement to receive any payment in respect of such forfeited DSUs. If the Termination Date of a Participant occurs as a result of the death of a Participant, all DSUs credited to such Participant at such time that have not yet vested pursuant to the terms of the Amended Omnibus Plan shall be deemed to vest in the moment immediately prior to the Participant's death. As soon as reasonably practicable after the Termination Date of a Participant for a reason other than Cause, or as the Participant may elect (as described below), and in any event, no later than December 15 of the first calendar year commencing after the Termination Date, the Company shall redeem and fully settle each DSU in respect of which all vesting and other conditions to redemption and settlement have been met, deemed to have been met or waived by the Committee on or before the Termination Date (such settlement date being a "**Redemption Date**").

If the Termination Date of a Participant occurs for a reason other than Cause, except as otherwise provided in the Amended Omnibus Plan, after the Termination Date, the Participant (or their estate) may elect up to three separate Redemption Dates as of which either a portion or all of the value of the Participant's DSUs shall be redeemed and settled.

For the purposes of the foregoing section, the term "**Termination Date**" means the earliest of the following dates: (a) the date of the Participant's death; and (b) the date on which a Participant ceases to hold any position as a Director, Officer or Employee with the Company or any related entity, and, for greater certainty, shall not be before the time of the Participant's retirement from, or loss of, such office or employment with the Company or any related entity under applicable law.

Performance Share Units

Subject to the provisions of the Amended Omnibus Plan, the Board or the Committee may grant performance-based Awards in the form of PSUs under the Amended Omnibus Plan that are subject to specified performance criteria (each a "**Performance Goal**"). The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied relative to performance relative to an index or comparator group, or on any other basis determined by the Committee. The Committee may modify the Performance Goals as necessary to align them with the Company's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment or other agreement with a Participant. A PSU is an Award denominated in units that does not vest until the performance criteria it is subject to are met, the value of which at the time it is payable is determined as a function of the extent to which corresponding performance criteria have been achieved and provides the holder thereof with a right to receive Common Shares upon settlement of the Award, subject to any such restrictions that the Board or its delegate may impose. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

The Board, in its discretion, may award dividend equivalents with respect to Awards of PSUs. Such dividend equivalent entitlements if any, will be credited to the Participant in additional PSUs and shall be subject to the same terms and conditions (including vesting, Performance Goals and Performance Period) as the PSUs in respect of which such additional PSUs are credited. Any additional PSUs credited to the Participant as dividend equivalents will vest in proportion to and will be paid under the Amended Omnibus Plan in the same manner as the PSUs to which they relate. In the event that the Participant's PSUs do not vest or are cancelled or otherwise expire,

all RSUs credited as dividend equivalents in respect thereof, if any, will be immediately cancelled and forfeited to the Company without payment.

If PSUs (including PSUs credited as a dividend equivalents) become vested and the applicable Performance Goals have been met on or before the end of the Performance Period, such PSUs (“**Vested PSUs**”) shall be settled as soon as reasonably practicable following the end of the applicable Performance. Unless the Award Agreement specifies otherwise, the Company shall settle each Vested PSU then being settled by means of: (a) a cash payment equal to the FMV on the Vesting Date of a Common Share; (b) the issuance of a Common Share from treasury; or (c) if more than one Vested PSU is being settled, a combination of cash under (a) and Common Shares under (b), as determined by the Committee at its sole discretion and subject to any tax withholding obligations in accordance with Amended Omnibus Plan.

If a Participant dies while an Employee, Director of, or Consultant to, the Company or an Affiliate: (a) the number of PSUs held by the Participant that have not vested shall be adjusted as set out in the applicable Award Agreement (collectively referred to as “**Deemed Awards**”); (b) any Deemed Awards shall be deemed to vest in the moment immediately prior to the death of the Participant; (c) the Performance Period in respect of any PSUs held by the Participant that have vested at the time of death (including Deemed Awards vested in accordance with subsection (b) herein) shall be deemed to end immediately upon the death of the Participant and shall be paid to the Participant’s estate in accordance with the terms of the Plan and Award Agreement; (c) any settlement or redemption of any PSUs shall occur within one year following the Termination Date; and (d) such Participant’s eligibility to receive further grants of PSUs under the Amended Omnibus Plan ceases as of the Termination Date (as defined herein).

If a Participant ceases to be eligible to be a Participant under the Amended Omnibus Plan as a result of their termination for Cause, then all PSUs held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Company on the Termination Date.

Unless determined otherwise by the Committee, or as may otherwise be set out in a Participant’s employment agreement, where a Participant’s employment or term of office or engagement terminates for any reason other than death or for Cause, then: (a) the Performance Period in respect of any PSUs held by the Participant that have vested before the Termination Date shall be deemed to end immediately upon the Termination Date of the Participant and shall be paid to the Participant in accordance with the terms of the Amended Omnibus Plan and Award Agreement, and any PSUs held by the Participant that are not yet vested at the Termination Date will be immediately cancelled and forfeited to the Company on the Termination Date; (b) the eligibility of a Participant to receive further grants under the Amended Omnibus Plan ceases as of the date that the Company or an Affiliate provides the Participant with written notification that the Participant’s employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date; and (c) any settlement or redemption of any PSUs shall occur within one year following the Termination Date.

For the purposes of the foregoing section, the term “**Termination Date**” means, in the case of a Participant whose employment or term of office or engagement with the Company or an Affiliate terminates: (a) by reason of the Participant’s death, the date of death; (b) by reason of termination for Cause or resignation by the Participant, the Participant’s last day actively at work for or actively engaged by the Company or an Affiliate; (c) for any reason whatsoever other than death or termination for Cause, the later of (i) the date of the Participant’s last day actively at work for or actively engaged by the Company or the Affiliate, and (ii) the last date of the Notice Period; and; (d) the resignation of a Director and the expiry of a Director’s term on the Board without re-election (or nomination for election) shall each be considered to be a termination of their term of office.

Change of Control

In the event of a Change of Control (as described in the Amended Omnibus Plan), unless otherwise provided in an Award Agreement, the Board or the Committee shall have the discretion to unilaterally accelerate the vesting of or the Performance Period applicable to, and waive Performance Goals or other conditions applicable to outstanding Awards in order to assist Participants to tender into a takeover bid or participate in any other transaction causing a Change of Control. For greater certainty, in the event of a takeover-bid or any other transaction leading to a Change of Control, the Committee shall have the power, in its sole discretion to:

- (a) provide that any or all Awards shall terminate upon the occurrence of the Change of Control;
- (b) permit Participants to conditionally exercise or redeem vested Awards at such time or times as is necessary to allow Participants to tender into or participate in the Change of Control;
- (c) deem any exercise or redemption that was conditional on the consummation of the Change of Control to be null, void and of no effect; and

- (d) reinstate the original terms of any applicable Awards that were subject to conditional exercise or redemption in the event that the consummation of the Change of Control does not occur.

If the Company completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control a Participant who was also an Officer or Employee of the Corporation prior to the Change of Control has their employment agreement terminated, then:

- (a) all unvested Options granted to such Participant shall immediately vest and become exercisable, and remain open for exercise until the earlier of (i) the expiry date as set out in the applicable Award Agreement, and (ii) the date that is 90 days after such termination or dismissal; and
- (b) all unvested RSUs, PSUs or other share-based Awards of the Participant shall become vested, and the date immediately prior to such Participant's termination date shall be deemed to be the Vesting Date and the end of the applicable Performance Period.

Term of the Amended Omnibus Plan

The Amended Omnibus Plan will commence as of the Effective Date and shall remain in effect until terminated by the Board in accordance with the terms of the Amended Omnibus Plan.

Assignability

Except as may be permitted by the Board or the Committee or as specifically provided in an Award Agreement, no Award or other benefit payable under the Amended Omnibus Plan shall, except as otherwise specifically provided by law or permitted by the Board or its delegate, be transferred, sold, assigned, pledged or otherwise disposed in any manner other than by will or the law of descent.

Amendment

The Committee may from time to time, without notice and without approval of the holders of voting shares of the Company, amend, modify, change, suspend or terminate the Amended Omnibus Plan or any Awards granted pursuant to the Plan as it, in its discretion determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Amended Omnibus Plan or any Awards granted thereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Amended Omnibus Plan without the consent of the Participant, unless the Committee determines such adjustment is required or desirable in order to comply with any applicable securities laws or TSX-V requirements. Without limiting the generality of the foregoing, may, without shareholder approval, at any time or from time to time, amend the Amended Omnibus Plan for the purposes of:

- (a) making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Committee shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (b) making any amendments not inconsistent with the Amended Omnibus Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, it may be expedient to make, including amendments that are desirable as a result of changes in law, as a "housekeeping" matter or in order to conform the Amended Omnibus Plan with applicable law; or
- (c) making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Committee shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

Subject to any rules of the TSX-V, shareholder approval shall be required for any amendment, modification or change to the Amended Omnibus Plan that:

- (a) increases the percentage of Common Shares reserved for issuance under the Plan, except pursuant to certain provisions of the Amended Omnibus Plan which permit the Committee to make certain adjustments in the event of transactions affecting the Company or its capital;

- (b) amends an amending provision within the Amended Omnibus Plan;
- (c) reduces the Option Price of an Option (for this purpose, a cancellation or termination of an Option of a Participant prior to its expiry date for the purpose of reissuing an Option to the same Participant with a lower Option Price shall be treated as an amendment to reduce the Option Price of an Option) except pursuant to the provisions in the Amended Omnibus Plan which permit the Committee to make certain adjustments in the event of transactions affecting the Company or its capital;
- (d) extends the term of an Option beyond the original expiry date (except where an expiry date falls within a Blackout Period);
- (e) amends an entitlement to an individual Award;
- (f) permits an Option to be exercisable beyond 10 years from its date of grant (except where an expiry date would have fallen within a Blackout Period);
- (g) changes the eligible Participants of the Amended Omnibus Plan;
- (h) proposes to amend any material term of the Amended Omnibus Plan, such proposed amendment having first received the approval of the majority of the Board; or
- (i) deletes or reduces the range of amendments which require shareholder approval under the amendments provision of the Amended Omnibus Plan.

The Company is required to obtain shareholder approval on a “disinterested” basis in compliance with the applicable policies of the TSX-V in the following circumstances:

- (a) reduction of the exercise price or purchase price of an Award benefiting an Insider;
- (b) extension of the term of an Award benefitting an Insider;
- (c) any amendment to the Amended Omnibus Plan that could result in any of the limits set forth in Sections 4.8(c), 4.8(d) and 4.8(e) of the Amended Omnibus Plan to be exceeded; and
- (d) any individual grant or issue of an Award that would result in any of the limits set forth in Sections 4.8(c), 4.8(d) and 4.8(e) of the Amended Omnibus Plan to be exceeded.

Approval

The Amended Omnibus Plan is considered a “rolling up to 10%” Security Based Compensation Plan as defined in Policy 4.4. In accordance with TSX-V policies, the Company is required to obtain the approval of its shareholders of the Amended Omnibus Plan on an annual basis.

Employment, Consulting and Management Agreements

William C. Howald, Executive Chairman and Director

The Company entered into a professional services agreement dated May 21, 2019, which was subsequently replaced by a consulting agreement dated October 1, 2019 (the “**Tanadog Agreement**”), with Tanadog pursuant to which Tanadog provides the Company with Mr. Howald’s services as Executive Chairman and a director of the Company. In consideration for its services, the Company agreed to pay consulting fees to Tanadog (a company controlled by Mr. Howald) at an annual base rate, payable in equal monthly instalments, and subject to increases as the Board in its discretion may determine from time to time. Tanadog is also entitled to receive an annual bonus, in the Board’s discretion, and Mr. Howald is entitled to participate in the Company’s Amended Omnibus Plan. Pursuant to an amendment to the Tanadog Agreement dated January 1, 2022, for 2022, the annual base fee payable to Tanadog is US\$196,000 per annum and the Company paid Tanadog US\$194,330/Cdn.\$250,283 and a bonus of US\$92,707/Cdn.\$126,551 (applying the Bank of Canada closing exchange rate applicable at the time of each monthly payment and applicable at the time of the bonus payment).

The Tanadog Agreement is automatically renewable for consecutive one-year terms, subject to the right of Tanadog to terminate the Tanadog Agreement by giving three months’ written notice to the Company, and the right of the Company to terminate the Tanadog

Agreement with Tanadog immediately upon notice (provided that, if such termination was for any reason other than for cause, breach of fiduciary duty, Mr. Howald's death or incapacity, or material breach of Tanadog's obligations thereunder, the Company shall pay to Tanadog a termination payment equal to 1 times of the then applicable base rate per annum payable to Tanadog by the Company in respect of the Company's most recently completed financial year). If such termination were to occur as of October 31, 2022, pursuant to this provision, the Company would have paid Tanadog US\$183,370/Cdn\$250,283 (applying the Bank of Canada's exchange rate as at October 31, 2022 of U.S.\$1.00=Cdn.\$1.3649).

The Tanadog Agreement also provides that in the event that there is a change of control of the Company and, within six months after such event, the Company delivers written notice to Tanadog terminating the Tanadog Agreement, the Company shall, upon the effective date of termination, pay to Tanadog an amount equal to two times of both the then applicable base rate per annum payable to Tanadog and any bonus paid or payable to Tanadog in respect of the Company's most recently completed financial year. Oversight and Description of Director and NEO Compensation

The Company relies solely on recommendations made by the Compensation Committee after its review to determine compensation paid to executives and directors, without any formal objectives, criteria or analysis.

The Company uses salaries/consulting fees to compensate its executives and the compensation rate is based on what the Compensation Committee's assessment of the position's value and what similar roles would command in the market. Subsequent to the fiscal year ended October 31, 2020, the Compensation Committee hired an external consulting firm to provide the Compensation Committee with a full report of compensation within the industry. This report was the basis for determining compensation for the fiscal years ended October 31, 2021 and 2022.

Overall, the Company takes a short-term, mid-term and long-term view when developing its compensation program for its employees, officers and directors. On this basis, the Company uses salaries/consulting fees as a means of providing compensation on a short-term basis, but also awards bonuses for the short-term performance of the Company.

As the Company is still in the developmental stage as a junior mining company, the Company's compensation program will rely heavily on the granting of Options, RSUs, PSUs, DSUs and other share based awards.

The Company's mid-term and long-term incentive program is intended to align the interests of the NEOs, directors, consultants and employees with those of the Company's shareholders over the longer term and to provide a retention incentive for each NEO. This component of the compensation package consists of grants of Options to purchase Common Shares, and the grant of RSUs, PSUs and

DSUs, vesting over a three year period. Numerous factors are taken into consideration by the Board in determining grants of Options, RSUs, PSUs and DSUs, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

See “Employment, Consulting and Management Agreements” for compensation arrangements for the Company’s NEOs.

The Company has not used any peer group to determine compensation for its directors and NEOs.

There have been no significant changes to the Company’s compensation policies that were made during or after the financial year ended October 31, 2022 that could or will have an effect on director or NEO compensation.

Pension Disclosure

The Company does not provide a pension to any director or NEO.

Subject to the provisions of the Plan, the Committee may, from time to time, in its sole discretion select from among eligible Directors, Officers, Employees, Management Company Employees and Consultants of the Corporation or of any of its subsidiaries, those to whom Awards shall be granted under the Plan, and shall determine in its discretion the nature, terms, conditions and amount of each Award in accordance with the Plan.

Without limiting the foregoing, the Committee may, in its sole discretion, permit the exercise of an Option through either:

- (a) a cashless exercise (a “**Cashless Exercise**”) mechanism, whereby:
 - (i) a sufficient number of the Shares issued upon exercise of the Options will be sold by a designated broker on behalf of and for the benefit of the Participant to satisfy the Option Price of the Options; and
 - (ii) the Option Price of the Options will be delivered to the Corporation and the Participant will receive only the remaining unsold Shares from the exercise of the Options and the net proceeds of the sale after deducting (A) the Option Price of the Options, (B) applicable taxes and (C) any applicable fees and commissions, all as determined by the Committee from time to time; or
- (b) a net exercise (a “**Net Exercise**”) mechanism, whereby Options, excluding Options held by any Investor Relations Service Provider, are exercised without the Participant making any cash payment so the Corporation does not receive any cash from the exercise of the subject Options, and instead the Participant receives only the number of underlying Shares that is the equal to the quotient obtained by dividing:
 - (i) the product of the number of underlying Shares subject to the Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Options; by

Subject to Section 6.8 and any governing rules or regulations, as soon as practicable after receipt of a notification of exercise and full payment for the Shares, the Shares in respect of which the Option has been exercised shall be issued as fully-paid and non-assessable shares of the Corporation. As of the business day the Corporation receives such notice and such payment, the Participant (or the person claiming through him, as the case may be) shall be entitled to be entered on the share register of the Corporation as the holder of the number of Shares in respect of which the Option was exercised and to receive as promptly as possible thereafter a certificate or evidence of book entry representing the said number of Shares. The Corporation shall cause to be delivered to or to the direction of the Participant Share certificates or evidence of book entry Shares in an appropriate amount based upon the number of Shares purchased under the Option(s) as soon as reasonably practicable following the issuance of such Shares.

6.8 Restrictions on Share Transferability.

The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted pursuant to this Plan as it may deem advisable, including, without limitation, requiring the Participant to hold the Shares acquired pursuant to exercise for a specified period of time, or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed and/or traded.

 - (ii) the right to exercise such Options terminates on the earlier of: (A) the date that is 12 months after the Termination Date; and (B) the date on which the exercise period of the particular Option expires. Any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Corporation on the Termination Date; and
 - (iii) such Participant's eligibility to receive further grants of Options under the Plan ceases as of the Termination Date.

- (b) **Termination for Cause:** If a Participant ceases to be eligible to be a Participant under the Plan as a result of their termination for Cause, then all Options held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Corporation on the Termination Date.

- (c) **Termination without Cause or Voluntary Resignation:** Except as may otherwise be set out in a Participant's employment agreement (which shall have paramountcy over this clause), where a Participant's employment or term of office or engagement terminates for any reason other than death or for Cause (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then:
 - (i) any Options held by the Participant that are exercisable at the Termination Date continue to be exercisable by the Participant until the earlier of:
 - (A) the date that is three months after the Termination Date; and
 - (B) the date on which the exercise period of the particular Option expires, except as otherwise provided in the Participant's employment contract or such date as is otherwise determined by the Board. Notwithstanding the foregoing or any term of an employment contract, in no event shall such right extend beyond the Option Period or one year from the Termination Date.
 - (ii) any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Corporation on the Termination Date,
 - (iii) the eligibility of a Participant to receive further grants under the Plan ceases as of the date that the Corporation or an Affiliate, as the case may be, provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date, and
 - (iv) notwithstanding 6.9(c)(i) and 6.9(c)(ii) above, unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Options are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate.

- (d) For purposes of Section 6.9, the term, "Termination Date" means, in the case of a Participant whose employment or term of office or engagement with the Corporation or an Affiliate terminates:
- (i) by reason of the Participant's death, the date of death;
 - (ii) by reason of termination for Cause or resignation by the Participant, the Participant's last day actively at work for or actively engaged by the Corporation or an Affiliate;
 - (iii) for any reason whatsoever other than death, termination for Cause or resignation by the Participant, the later of (A) the date of the Participant's last day actively at work for or actively engaged by the Corporation or the Affiliate, as the case may be, and (B) the last date of the Notice Period; and
 - (iv) the resignation of a Director and the expiry of a Director's term on the Board without re-election (or nomination for election) shall each be considered to be a termination of their term of office.

7.3 Non-transferability of Restricted Share Units.

The Restricted Shares Units granted herein may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated or disposed of by the Participant, whether voluntarily or by operation of law, otherwise than by testate succession of the laws of descent and distribution, until the date of settlement through delivery or other payment, and any attempt to do so will cause such Restricted Share Units to be null and void. A vested Restricted Share Unit shall be redeemable only by the Participant and, upon the death of a Participant, the person to whom the rights shall have passed by testate succession or by the laws of decent and distribution may redeem any vested Restricted Share Units in accordance with the provisions of Section 7.7.

To the extent deemed appropriate by the Committee, the Corporation may retain the certificates representing Shares delivered in settlement of Restricted Share Units, in the Corporation's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Restricted Share Units are not Shares and a grant of Restricted Share Units will not entitle a Participant to any shareholder rights, including, without limitation, voting rights, dividend entitlement or rights on liquidation.

7.6 Dividends and Other Distributions.

Dividend Equivalents may, as determined by the Committee in its sole discretion, be awarded in respect of a Participant's unvested Restricted Share Units on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant in additional Restricted Share Units, the number of which shall be equal to the quotient obtained by dividing:

- (a) the product of (i) the number of unvested Restricted Share Units held by the Participant on the date that dividends are paid, multiplied by (ii) the dividend paid per Share, by;
- (b) the VWAP of one Share calculated as of the date that the relevant dividend is paid.

Any additional Restricted Share Units credited to a Participant as a Dividend Equivalent shall be subject to the same terms and conditions (including vesting and Period(s) of Restriction) as the Restricted Share Units in respect of which such additional Restricted Share Units are credited and shall be deemed to have been awarded on the same date and subject to the same settlement date as the Restricted Share Units in respect of which such additional Restricted Share Units are credited.

Notwithstanding the foregoing, if there is an insufficient number of Shares available for issuance of Restricted Share Units or if the grant of such Dividend Equivalent in the form of Restricted Share Units would exceed any of the limits set out in Article 4 of this Plan, then the Committee shall not pay Dividend Equivalents in the form of additional Restricted Share Units but may, in the discretion of the Committee, pay such Dividend Equivalents in the form of cash. Further, any additional Restricted Share Units credited to the Participant as Dividend Equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Restricted Share Units to which they relate. In the event that the Participant's Restricted Share Units do not vest or are cancelled or otherwise expire, all Restricted Share Units credited as Dividend Equivalents in respect thereof, if any, will be immediately cancelled and forfeited to the Corporation without payment.

7.7 Death and other Termination of Employment.

- (a) **Death:** If a Participant dies while an Employee, Director of, or Consultant to, the Corporation or an Affiliate:
 - (i) any Restricted Share Units held by the Participant that have not vested as at the Termination Date shall be deemed to have vested immediately prior to the Termination Date;
 - (ii) any Restricted Share Units held by the Participant that have vested (including Restricted Share Units vested in accordance with Section 7.7(a)(i)) as at the Termination Date, shall be paid to the Participant's estate in accordance with the terms of the Plan and Award Agreement; and

- (iii) such Participant's eligibility to receive further grants of Restricted Share Units under the Plan ceases as of the Termination Date.

- (b) **Termination for Cause:** If a Participant ceases to be eligible to be a Participant under the Plan as a result of their termination for Cause, then all Restricted Share Units held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Corporation on the Termination Date.

- (c) **Termination without Cause or Voluntary Resignation:** Unless determined otherwise by the Committee, or as may otherwise be set out in a Participant's employment agreement (which shall have paramountcy over this clause), where a Participant's employment or term of office or engagement terminates for any reason other than death or for Cause (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then:
 - (i) any Restricted Share Units held by the Participant that have vested before the Termination Date shall be paid to the Participant. Any Restricted Share Units held by the Participant that are not yet vested at the Termination Date will be immediately cancelled and forfeited to the Corporation on the Termination Date;
 - (ii) the eligibility of a Participant to receive further grants under the Plan ceases as of the date that the Corporation or an Affiliate provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date; and
 - (iii) notwithstanding Section 7.7(b)(i), unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Restricted Share Units are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate.
 - (iv) Any settlement or redemption of any Restricted Share Units shall occur within one year following the Termination Date.

- (d) For purposes of the Plan, the term, “Termination Date” means, in the case of a Participant whose employment or term of office or engagement with the Corporation or an Affiliate terminates:
- (i) by reason of the Participant’s death, the date of death;
 - (ii) by reason of termination for Cause or resignation by the Participant, the Participant’s last day actively at work for or actively engaged by the Corporation or an Affiliate;
 - (iii) for any reason whatsoever other than death, termination for Cause or resignation by the Participant, the later of (A) the date of the Participant’s last day actively at work for or actively engaged by the Corporation or the Affiliate, and (B) the last date of the Notice Period; and
 - (iv) the resignation of a Director and the expiry of a Director’s term on the Board without re-election (or nomination for election) shall each be considered to be a termination of their term of office.

7.8 Payment in Settlement of Restricted Share Units.

When and if Restricted Share Units (including Restricted Share Units credited as Dividend Equivalents) become vested, such Restricted Share Units (“**Vested RSUs**”) shall be settled as soon as reasonably practicable following the Vesting Date. Notwithstanding any other provision of this Plan, no payment, whether in cash or Shares, shall be made in respect of the settlement of any Vested RSU on a date that is later than December 31 of the calendar year which is three years following the calendar year (or the earliest of the years) in which the Participant performed the services to which the Award Agreement relates. Unless the Award Agreement specifies otherwise, the Corporation shall settle each Vested RSU then being settled by means of:

- (a) a cash payment equal to the FMV on the Vesting Date of a Share;
- (b) the issuance of a Share from treasury; or
- (c) if more than one Vested RSU is being settled, a combination of cash and Shares under (a) and (b),

as determined by the Committee at its sole discretion and subject to any tax withholding obligations in accordance with ARTICLE 15.

ARTICLE 8 DEFERRED SHARE UNITS

8.1 Grant of Deferred Share Units.

- (a) Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may (i) designate Participants who may receive Deferred Share Units under the Plan, (ii) fix the number of Deferred Share Units, if any, which may be granted to a particular Participant, and (iii) determine any other terms and conditions applicable to the grant of Deferred Share Units, provided that, no Deferred Share Unit shall vest earlier than one year after the date of grant, except that the Committee may in its sole discretion accelerate the vesting required by this Section 8.1 for a Participant who dies or who ceases to be an eligible Participant under the Plan in connection with a Change of Control.
- (b) The Committee shall only designate Participants for purposes of this Section 8.1 who are Directors, Officers or Employees of the Corporation or a corporation related to the Corporation for purposes of the ITA.
- (c) As soon as reasonably practicable after designating a Participant as eligible to receive Deferred Share Units, the Committee shall provide such designated Participant notice in writing of the designation.
- (d) At least ten (10) days prior to the commencement of a particular year, a designated Participant may enter into an agreement (a “**DSU Agreement**”) with the Corporation (or corporation related to the Corporation that employs the designated Participant) in respect of such upcoming year to cause the Participant to receive a portion of their cash remuneration payable for services to be provided during the particular year in the form of Deferred Share Units.
- (e) A DSU Agreement made with the Corporation in respect to a particular year is irrevocable, except if a designated Participant has entered into a prior DSU Agreement in respect of an upcoming year (which has not yet commenced) and the designated Participant and the Corporation enter into a subsequent DSU Agreement in respect of the upcoming year in the form, manner and time prescribed under this Section 8.1, in

which case the prior DSU Agreement shall be rescinded in respect of the upcoming year (or years) only and such upcoming year (or years) shall instead be subject to the subsequent DSU Agreement.

8.2 DSU Agreement.

Each DSU Agreement shall contain additional terms or conditions applicable to the granted Deferred Share Units, including any terms that the Committee considers necessary in order for the Deferred Share Units not to be considered a “salary deferral arrangement”, as defined in the ITA, by reason of the exception to the “salary deferral arrangement” definition described in paragraph 6801(d) of the regulations to the ITA.

8.3 Value of Deferred Share Units.

Deferred Share Units elected to be received by a designated Participant pursuant to Section 8.1 shall be credited to the designated Participant’s DSU Account as of the applicable Conversion Date. The number of Deferred Share Units (including fractional Deferred Share Units) to be credited to an designated Participant’s DSU Account as of a particular Conversion Date pursuant to this Section 8.3 shall be determined by dividing the relevant portion of that designated Participant’s cash remuneration for the applicable period to be satisfied by Deferred Share Units by the Fair Market Value of a Share on the particular Conversion Date.

Deferred Share Units credited to a designated Participant under Section 8.1(a), together with any additional Deferred Share Units granted in respect thereof under Section 8.8, may be subject to vesting criteria as described in the relevant DSU Agreement.

8.4 Redemption of Deferred Share Units.

- (a) No amount may be received in respect of a Deferred Share Unit until after the Termination Date of the Participant. For the purposes of this ARTICLE 8, “Termination Date” means the earliest to occur of the following dates (each a “**Termination Event**”):
 - (i) the date of the Participant’s death; and
 - (ii) the date on which a Participant ceases to hold any position as a Director, Officer or Employee with the Corporation or any related entity, and, for greater certainty, shall not be before the time of the Participant's retirement from, or loss of, such office or employment with the Corporation or any related entity under applicable law.
- (b) **Termination for Cause:** If the Termination Date of a Participant occurs as a result of a termination of a Participant for Cause, all outstanding Deferred Share Units credited to such DSU Account (whether or not vested) shall be forfeited and cancelled

immediately, and the Participant shall have no entitlement to receive any payment in respect of such forfeited Deferred Share Units, by way of damages, pay in lieu of notice or otherwise.

- (c) **Termination Event otherwise than for Cause:** If the Termination Date of a Participant occurs as a result of the death of a Participant, all Deferred Share Units credited to such Participant's DSU Account at such time that have not yet vested pursuant to the terms of this Plan shall be deemed to vest in the moment immediately prior to the Participant's death. As soon as reasonably practicable after the Termination Date of a Participant for a reason other than Cause, or as the Participant may elect under Section 8.4(d), and in any event, no later than December 15 of the first calendar year commencing after the Termination Date the Corporation shall redeem and fully settle each Deferred Share Unit in respect of which all vesting and other conditions to redemption and settlement have been met, deemed to have been met or waived by the Committee on or before the Termination Date (such settlement date being a "**Redemption Date**").
- (d) If the Termination Date of a Participant occurs for a reason other than Cause, except as otherwise provided in the Plan, after the Termination Date, the Participant (or their estate) may elect up to three separate Redemption Dates as of which either a portion (specified in whole percentages) or all of the value of the Participant's Deferred Share Units shall be redeemed and settled, by filing with the Corporation, following such Participant's Termination Date, in the form and manner specified by the Committee up to three irrevocable written elections, provided that the elected Redemption Dates are no later than December 15 of the first calendar year commencing after the Participant's Termination Date.
- (e) Notwithstanding the foregoing, the Corporation shall have the ability to require the Participant to hold any Shares received pursuant to such redeemed Deferred Share Units for a specified period of time.

8.5 Non-transferability of Deferred Share Units.

The Deferred Share Units granted herein may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated.

8.6 Designated Participant's DSU Account.

The Corporation shall keep or cause to be kept a DSU Account which records, at all times, the number of Deferred Share Units standing to the credit of the Participant including any vesting conditions associated therewith. Absent manifest error, such DSU Account shall be considered conclusively determinative of all information contained therein. Deferred Share Units that fail to vest in a Participant or that are redeemed and paid out in accordance with this Plan shall be cancelled and shall cease to be recorded in the Participant's DSU Account as of the date on which

such Deferred Share Units are forfeited or cancelled under the Plan or are redeemed and paid out, as the case may be.

8.7 Adjustments and Reorganizations.

Notwithstanding any other provision of the Plan, in the event of any change in the Shares by reason of any stock dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of Shares or distribution of rights to holders of Shares or any other form of corporate reorganization whatsoever, subject to the approval of the Exchange, where applicable, an equitable adjustment permitted under applicable law shall be made to any Deferred Share Units then outstanding. Such adjustment shall be made at the sole discretion of the Committee, subject to applicable law and the approval of the Exchange, where applicable, with the intent that (a) any adjustment shall not cause the Deferred Share Units to become a “salary deferral arrangement”, as defined in the ITA, and (b) any adjustment shall cause the aggregate dollar value of the Deferred Shares Units immediately before the relevant corporate event to be equal to the aggregate dollar value immediately after the relevant corporate event.

8.8 Dividend Equivalents.

Prior to a Participant’s Termination Date, Dividend Equivalents may, as determined by the Committee in its sole discretion, be awarded in respect of a Participant’s Deferred Share Units on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant in additional Deferred Share Units, the number of which shall be equal to the quotient obtained by dividing:

- (a) the product of (i) the number of Deferred Share Units held by the Participant on the date that dividends are paid, multiplied by (ii) the dividend paid per Share, by;
- (b) the VWAP of one Share calculated as of the date that the relevant dividend is paid.

Any additional Deferred Share Units credited to a Participant as a Dividend Equivalent shall be subject to the same terms and conditions (including vesting) as the Deferred Share Units in respect of which such additional Deferred Share Units are credited.

Notwithstanding the foregoing, if there is an insufficient number of Shares available for issuance of Deferred Share Units or if the grant of such Dividend Equivalent in the form of Deferred Share Units would exceed any of the limits set out in Article 4 of this Plan, then the Committee shall not pay Dividend Equivalents in the form of additional Deferred Share Units but may, in the discretion of the Committee, pay such Dividend Equivalents in the form of cash. Further, any additional Deferred Share Units credited to the Participant as Dividend Equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Deferred Share Units to which they relate. In the event that the Participant's applicable Deferred Share Units do not vest or are cancelled or otherwise expire, all Deferred Share Units credited as Dividend Equivalents, if any, associated with such Deferred Share Units will be immediately cancelled and forfeited to the Corporation without payment.

9.2 Value of Performance Units.

Each Performance Unit shall give the Participant the right to receive a Share or a cash payment in an amount equal to the FMV of a Share at the end of the applicable Performance Period, subject to the terms, vesting criteria and Performance Goals of the relevant Performance Unit as established by the Committee and set forth in the Award Agreement. The Committee shall have the sole discretion to decide whether Performance Units are settled in cash, Shares or a combination thereof.

9.3 Performance Goals.

The Committee shall have sole discretion to determine the extent to which the Performance Goals in respect of a particular Performance Unit have been achieved. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied relative to performance relative to an index or comparator group, or on any other basis determined by the Committee. The Committee may modify the Performance Goals as necessary to align them with the Corporation's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

9.4 Form and Timing of Payment of Performance Units.

If Performance Units (including Performance Units credited as a Dividend Equivalents) become vested and the applicable Performance Goals have been met on or before the end of the Performance Period, such Performance Units (“**Vested PSUs**”) shall be settled as soon as reasonably practicable following the end of the applicable Performance Period and, in any event, notwithstanding any other provision of this Plan, no payment, whether in cash or Shares, shall be made in respect of the settlement of any Vested PSU on a date that is later than December 31 of the calendar year which is three years following the end of the year (or earliest of the years) in which the Participant performed the services to which the Award Agreement relates. as determined by the Committee at its sole discretion and subject to any tax withholding obligations in accordance with ARTICLE 15. Notwithstanding the foregoing, the Corporation shall have the ability to require the Participant to hold any Shares received pursuant to such Award for a specified period of time.

9.5 Dividends and Other Distributions.

Dividend Equivalents may, as determined by the Committee in its sole discretion, be awarded in respect of a Participant’s Performance Units on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant in additional Performance Units, the number of which shall be equal to the quotient obtained by dividing:

- (a) the product of (i) the number of Performance Units held by the Participant on the date that dividends are paid, multiplied by (ii) the dividend paid per Share, by;
- (b) the VWAP of one Share calculated as of the date that the relevant dividend is paid.

Any additional Performance Units credited to a Participant as a Dividend Equivalent shall be subject to the same terms and conditions (including vesting, Performance Goals and Performance Period) as the Performance Units in respect of which such additional Performance Units are credited and shall be deemed to have been awarded on the same date and subject to the same expiry date as the Performance Units in respect of which such additional Performance Units are credited.

Notwithstanding the foregoing, if there is an insufficient number of Shares available for issuance of Performance Units or if the grant of such Dividend Equivalent in the form of Performance Units would exceed any of the limits set out in Article 4 of this Plan, then the Committee shall not pay Dividend Equivalents in the form of additional Performance Units but may, in the discretion of the Committee, pay such Dividend Equivalents in the form of cash. Further, any additional Performance Units credited to the Participant as Dividend Equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Performance Units to which they relate. In the event that the Participant's applicable Performance Units do not vest or are cancelled or otherwise expire, all Performance Units credited as Dividend Equivalents, if any, associated with such Performance Units will be immediately cancelled and forfeited to the Corporation without payment.

9.6 Death and Termination of Employment.

- (a) **Death:** If a Participant dies while an Employee, Director of, or Consultant to, the Corporation or an Affiliate:
 - (i) the number of Performance Units held by the Participant that have not vested on or before the Termination Date shall be prorated to reflect the actual period between the commencement of the Performance Period and the Termination Date, based on the Performance Goals for the applicable Performance Period up to the Termination Date as further set out in the applicable Award Agreement (collectively referred to in this Section 9.6 as “**Deemed Awards**”);
 - (ii) any Deemed Awards shall be deemed to vest in the moment immediately prior to the death of the Participant;

- (iv) any settlement or redemption of any Performance Units shall occur within one year following the Termination Date; and

- (b) **Termination for Cause:** If a Participant ceases to be eligible to be a Participant under the Plan as a result of their termination for Cause, then all Performance Units held by the Participant, whether vested or not, as at the Termination Date shall automatically and immediately expire and are cancelled and forfeited to the Corporation on the Termination Date.
- (c) **Termination without Cause or Voluntary Resignation:** Unless determined otherwise by the Committee, or as may otherwise be set out in a Participant's employment agreement (which shall have paramountcy over this clause), where a Participant's employment or term of office or engagement terminates for any reason other than death or for Cause (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then:
- (i) the Performance Period in respect of any Performance Units held by the Participant that have vested before the Termination Date shall be deemed to end immediately upon the Termination Date of the Participant and shall be paid to the Participant in accordance with the terms of the Plan and Award Agreement, and any Performance Units held by the Participant that are not yet vested at the Termination Date will be immediately cancelled and forfeited to the Corporation on the Termination Date;
 - (ii) the eligibility of a Participant to receive further grants under the Plan ceases as of the date that the Corporation or an Affiliate provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date;
 - (iii) any settlement or redemption of any Performance Units shall occur within one year following the Termination Date; and
 - (iv) unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Performance Units are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for

 - (ii) extension of the term of an Award benefitting an Insider;
 - (iii) any amendment to the Plan that could result in any of the limits set forth in Sections 4.8(c) and 4.8(d) and 4.8(e) to be exceeded; and
 - (iv) any individual grant or issue of an Award that would result in any of the limits set forth in Sections 4.8(c) and 4.8(d) and 4.8(e) to be exceeded.

Notwithstanding the foregoing, amendments to the terms of the Plan or to grants or issuances of Awards hereunder will be subject to the approval of the TSXV and to shareholder approval, as required by Policy 4.4 and other applicable policies of the TSXV.

14.3 Permitted Amendments.

Without limiting the generality of Section 14.1, but subject to Section 14.2, the Committee may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Committee shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (b) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, it may be expedient to make, including amendments that are desirable as a result of changes in law, as a “housekeeping” matter or in order to conform the Plan with applicable law (including the application of Section 409A of Code in respect of an Award); or
- (c) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Committee shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

14.4 Awards Previously Granted.

Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

ARTICLE 15 WITHOLDING

15.1 Withholding.

Notwithstanding any other provision of this Plan, but subject to Policy 4.4, any Award Agreement hereunder or the terms of any employment or service contract of a Participant, the Corporation or any Affiliate shall be authorized to deduct or withhold from any amount payable by the Corporation or any Affiliate to a Participant (under the Plan or otherwise) such amount as the Corporation or any Affiliate may be required to deduct or withhold under applicable law (“**Withholding Tax**”). The Committee may grant the option to a Participant to satisfy Withholding Tax requirements on such terms and conditions as the Committee may determine in its sole discretion by: (i) having the Corporation withhold and sell, for and on behalf of the Participant, Shares issued hereunder; or (ii) requiring the Participant to, as a condition of exercise or redemption of an Award, make such other arrangements, including the delivery of cash or the sale of Shares, as the Committee specifies.

15.2 Acknowledgement.

Participant acknowledges and agrees that the ultimate liability for all taxes payable by Participant is and remains Participant’s responsibility and may exceed the amount actually withheld by the Corporation. Participant further acknowledges that the Corporation: (a) makes no representations or undertakings regarding the treatment of any taxes in connection with any aspect of this Plan; and (b) does not commit to and is under no obligation to structure the terms of this Plan to reduce or eliminate Participant’s liability for taxes or achieve any particular tax result. Further, if Participant has become subject to tax in more than one jurisdiction, Participant acknowledges that the Corporation may be required to withhold or account for taxes in more than one jurisdiction.

The Participant acknowledges and agrees that the Corporation makes no representation or warranty as to the future market value of any Award and, for greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no other Award will be granted to such Participant to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

**ARTICLE 16
SUCESSORS**

Rights and obligations under the Plan may be assigned by the Corporation (without the consent of Participants) to a successor in the business of the Corporation, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any company acquiring all or substantially all of the assets or business of the Corporation. Any obligations of the Corporation or an Affiliate under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Corporation or Affiliate, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the businesses and/or assets of the Corporation or Affiliate, as applicable.

**ARTICLE 17
GENERAL PROVISIONS**

17.1 Legends.

The certificates for Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

17.2 Delivery of Title.

The Corporation shall have no obligation to issue or deliver evidence of title for Shares issued under the Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Corporation determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable law or ruling of any governmental body that the Corporation determines to be necessary or advisable.

17.3 Investment Representations.

The Committee may require each Participant receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the Participant is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

17.4 Uncertificated Shares.

To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a non-certificated basis to the extent not prohibited by applicable law or the rules of any applicable stock exchange.

17.5 Unfunded Plan.

Participants shall have no right, title or interest whatsoever in or to any investments that the Corporation or an Affiliate may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Corporation or an Affiliate and any Participant, beneficiary, legal representative or any other person. Awards shall be general unsecured obligations of the Corporation, except that if an Affiliate executes an Award Agreement instead of the Corporation the Award shall be a general unsecured obligation of the Affiliate and not any obligation of the Corporation. To the extent that any individual acquires a right to receive payments from the Corporation or an Affiliate, such right shall be no greater than the right of an unsecured general creditor of the Corporation or Affiliate, as applicable. All payments to be made hereunder shall be paid from the general funds of the Corporation or Affiliate, as applicable, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan.

17.6 No Fractional Shares.

No fractional Shares shall be issued or delivered pursuant to the Plan or any Award Agreement. In such an instance, unless the Committee determines otherwise, fractional Shares and any rights thereto shall be forfeited or otherwise eliminated.

17.7 Other Compensation and Benefit Plans.

Nothing in this Plan shall be construed to limit the right of the Corporation or an Affiliate to establish other compensation or benefit plans, programs, policies or arrangements. Except as may be otherwise specifically stated in any other benefit plan, policy, program or arrangement, no Award shall be treated as compensation for purposes of calculating a Participant's rights under any such other plan, policy, program or arrangement.

17.8 No Constraint on Corporate Action.

Nothing in this Plan shall be construed (i) to limit, impair or otherwise affect the Corporation's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations or changes in its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets, or (ii) to limit the right or power of the Corporation or an Affiliate to take any action which such entity deems to be necessary or appropriate.

17.9 Compliance with Canadian Securities Laws.

All Awards and the issuance of Shares underlying such Awards issued pursuant to the Plan will be issued pursuant to an exemption from the prospectus requirements of Canadian securities laws where applicable.

**ARTICLE 18
LEGAL CONSTRUCTION**

18.1 Gender and Number.

Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

18.2 Severability.

In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

18.3 Requirements of Law.

The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or securities exchanges as may be required. The Corporation or an Affiliate shall receive the consideration required by law for the issuance of Awards under the Plan. The inability of the Corporation or an Affiliate to obtain authority from any regulatory body having jurisdiction, which authority is

deemed by the Corporation or an Affiliate to be necessary for the lawful issuance and sale of any Shares hereunder, shall relieve the Corporation or Affiliate of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

18.4 Governing Law.

The Plan and each Award Agreement shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Any actions, proceedings or claims in any way pertaining to the Plan shall be commenced in the courts of the Province of British Columbia.

18.5 Compliance with Section 409A of the Code.

- (a) To the extent the Plan is applicable to a particular Participant subject to the Code, it is intended that this Plan and any Awards made hereunder shall not provide for the payment of “deferred compensation” within the meaning of Section 409A of the Code or shall be structured in a manner and have such terms and conditions that would not cause such a Participant to be subject to taxes and interest pursuant to Section 409A of the Code. This Plan and any Awards made hereunder shall be administered and interpreted in a manner consistent with this intent.
- (b) To the extent that any amount or benefit in favour of a Participant who is subject to the Code would constitute “deferred compensation” for purposes of Section 409A of the Code would otherwise be payable or distributable under this Plan or any Award Agreement by reason of the occurrence of a Change of Control or the Participant’s disability or separation from service, such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless: (i) the circumstances giving rise to such Change of Control, disability or separation from service meet the description or definition of “change in control event,” “disability,” or “separation from service,” as the case may be, in Section 409A of the Code and applicable proposed or final treasury regulations thereunder, and (ii) the payment or distribution of such amount or benefit would otherwise comply with Section 409A of the Code and not subject the Participant to taxes and interest pursuant to Section 409A of the Code. This provision does not prohibit the vesting of any Award or the vesting of any right to eventual payment or distribution of any amount or benefit under this Plan or any Award Agreement.
- (c) The Committee shall use its reasonable discretion to determine the extent to which the provisions of this Section 18.5 will apply to a Participant who is subject to taxation under the ITA.

3. As part of its job to foster open communication, the Committee will meet at least quarterly with the Chief Financial Officer and the external auditor in separate sessions.

At all meetings of the Committee, the presence of a majority of the members will constitute a quorum for the transaction of the business and the vote of a majority of the members present shall be the act of the Committee. In the event of an equality of votes, the Chair of the Committee shall not have a second casting vote.
5. Members of the Committee may participate in a meeting of the Committee by conference telephone or similar communications equipment by means of which all people participating in the meeting can hear each other and participation in such a meeting will constitute presence in person at such a meeting.
6. Any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all of its members consent in writing to the action and such writing is filed with the records of proceedings of the Committee.
7. Directors not on the Committee may attend meetings at their discretion. At the invitation of the Chair of the Committee, members of management and outside consultants shall attend Committee meetings.

Any meetings or contacts that the Committee wishes to initiate may be arranged through the Chief Executive Officer or the Corporate Secretary or directly by the Chair or other members of the Committee. The Committee will use its judgment to ensure that any such contact is not disruptive to the business operations of the Company.
3. The Company will provide appropriate funding, as determined by the Committee, for payment of: (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (ii) compensation to any advisors employed by the Committee, and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
